RE: Jim Butler Construction Co.
Reference of Good Standing

Jim Butler Construction has been a valued contractor to QuikTrip for many years. They have been and still are involved in providing QuikTrip with a good product and quality workmanship. It is very important to QuikTrip that contractors behave in a professional and courteous manner while working on our stores. Jim Butler Construction has performed exceptionally well and has met all QuikTrip's expectations as a quality General Contractor. I highly recommend them to perform work for anyone interested in their services.

Sincerely,
