Re: Construction of residence at 2121 East 22<sup>nd</sup> Place, Tulsa, OK 74114

Dear Jim,

Just a personal note to thank you formally for the fantastic job you and your company did in building my home. I so appreciate the expertise you gave me in the individuals to pick to do the various jobs and especially Big John who was fantastic as the finish carpenter. I do apologize, however, for not following your recommendation in dismissing the plumber as "a flake". You were correct there on all counts. Please advise anyone else that you are building a house for to follow your recommendations—it will save them money and a hell of a lot of headache.

Again, thank you for your professionalism and the incredible job you did.

Very truly yours,

Robert G Fry, Jr.
