To Whom It May Concern:

We hereby certify that Jim Butler contracted for the design and build of the Kanza Library and Learning Center. The project had a total cost of 1,200,000.00. This project could not have been accomplished without Jim Butler's commitment to excellence and highly dedicated attitude.

Mr. Butler was very skilled at maintaining the construction schedule and budget. The project was a successful build and was executed in a timely manner.

We are pleased to recommend Jim Butler to other prospective clients and look forward to the opportunity to do business with him in the future.

Sincerely,

Guy Munroe
